Hanin Al-Barqouni and her husband Bassam Nasr are trying to escape Gaza and start a family somewhere safe. Hanin wishes to complete her degree, and Bassam wants to return to work. They have not eaten decent food in 10 months.

Please use the above link or QR code to learn more about Hanin and Bassam and consider donating to help this young couple.

Im Hanin from Gaza
I lost my home and my
husband lost his job. I
was preparing to receive
a child. I had a problem
conceiving. I was going
to go for treatment to
have a child, but the war
destroyed all of this.
Read my story from the
link on my bage and share
it
